There are only two ways in which a manager can impact an employee's output: motivation and training. If you are not training, then you are neglecting half the job.

Commentary _____ *- Andy Grove*

If you are not training your employees, then you are neglecting half of your job. And when you neglect half of your job, you don't get the optimal results

Appreciation Note From Our Chief Executive Officer McTimothy Associates Consulting LLC

To Our Esteemed Clients and Partners,

As we start year 2024, we would like to take this opportunity to thank you for an amazing year 2023. The success of McTimothy Associates Consulting LLC is based on the relationships we have built over the years, and we really wouldn't be where we are today without you.

We are grateful for the opportunity to work with and for you. Our passion for providing our clients with insights, business advisory, and learning and development via capacity building that enables them to work well and make informed decisions remains resolute and sacrosanct as your service provider. This year has been filled with a mixture of both challenges and victories.

However, no matter what the economic climate has been, we were resilient together as a team and we came out stronger. It has been reassuring to see how our colleagues have risen to surmount every road block, while always looking out for all our Clients and Partners.

Working together this past year has been a pleasure and we are proud to have you with us as Clients. We say thank you for believing us and for all that we were able to accomplish together.

As the end of the year approaches, we are so excited for all that 2024 has in store for us together.

We look forward to a successful new year 2024 with optimism and excitement, together with you.

Yours Sincerely

Tayo Oluwole,

MBA, CMC, FIMC, FIBAKM, FCBA, FCKM
Managing Partner/CEO
